DETAILS

Bring Dinner for 25 & be ready to serve at 6:30 p.m. (you can arrive as early as 6:15pm & we have a warming cabinet to keep food warm)

Dinner volunteers prepare a nourishing meal to share with our guests, fostering a warm, inviting atmosphere. Volunteers bring an entrée, side dish/es, drinks, and, if possible, a dessert.

Please arrive with all necessary serving items (including paper plates/bowls/utensils/etc) , and be ready to plate and serve the meal for our guests by 6:30 p.m.

After dinner, you'll help clean up the dining area.

- **Pro-Tip: This task is even more fun (and affordable) with friends or family—just be sure that no more than 5 people come to serve as the eating space is not very big. Only one contact is needed to sign up the whole group. Bring enough food to feed 25 plus your servers.**
- **Meal Guidelines: Ensure meals contain protein (for non-meat entrees, consider beans or cheese), and keep in mind that hard fruits or veggies may be difficult for guests to eat and kids tend to like foods that are not all mixed together.**
- **Minimum Age: 18; however, youth are welcome to help alongside their parents.**
- **Extras: We can always use lunchbox/individually wrapped food items & individually packaged drinks for families to take with them during the day (like nabs, apple sauce, snack packs, & bottled water, CapriSuns/juice boxes, etc)**
