

Mission Statement: Rooted in Christ's call to serve "the least of these" (Matthew 25:40), our Shower Ministry offers dignity and compassion to our neighbors, providing a clean, safe space for personal care that renews both body and spirit. We seek to reflect God's boundless love by fostering health, respect, and a sense of worth in each person.

Purpose Statement: The Shower Ministry exists to meet the basic hygiene needs of our community members who may lack access to showers, embodying the hospitality of Christ who welcomes all. We believe that cleanliness is essential to physical and spiritual well-being, affirming the imago Dei—the image of God—in each guest we serve.

Core Values

- **Dignity:** We honor the inherent worth of each person, created in the image of God, by providing a private, safe space for personal care and renewal.
- **Accessibility:** Embracing Christ's open invitation, we reduce barriers and offer a space of welcome and support to all who seek cleanliness and care.
- **Hospitality:** In the spirit of Christ's compassion, we greet each guest warmly, providing a refuge of care, comfort, and kindness.
- **Community Partnership:** We work with local organizations as part of the body of Christ, extending the reach of our ministry to ensure holistic support for our neighbors.
- **Health & Wellness:** We are committed to the physical and emotional well-being of our guests, recognizing that hygiene contributes to the fullness of life that God desires for all.

Guiding Principles

- **Because every person bears the image of God,** we create a safe, respectful, and welcoming environment where each guest feels valued, seen, and honored. Our shower spaces uphold privacy and foster a sacred space for renewal.
- **Because access should reflect the grace of God,** we offer a low-barrier, high-impact service, making our showers available to all who need them, without judgment or restriction.
- **Because we are called to be the hands and feet of Christ,** we greet each guest with warmth and hospitality, embodying the love of Christ through our welcome, and providing amenities that promote comfort and dignity.
- **Because we believe we are part of a larger mission,** we collaborate with local partners to create a network of support, recognizing that we are one part of Christ's body working together to meet the needs of our community.
- **Because cleanliness is a part of wholeness,** we maintain our shower spaces with care, ensuring they are clean, safe, and fully stocked to support both physical health and a sense of renewal in every guest.
- **Because Christ calls us to grow in grace,** we welcome feedback from guests and volunteers, continuously refining our ministry to better serve and honor the evolving needs of our community.
